Commitment to Community

You are not alone. We are here.

Firmstone Family Services Behavioral Health Clinic provides a friendly atmosphere with therapists helping you reach your treatment goals.

We serve all children and adults in our community, not just Children's Home residents!

Firmstone Family Services: A Division of The Children's Home of Easton

We reached out to our surrounding area and heard the need for additional mental health services for youth and families in Northampton County and the Lehigh Valley.

We partnered with CONCERN Professional Services and opened a satellite outpatient clinic on our CHE campus. Firmstone Family Services Behavioral Health Clinic will provide trauma-informed outpatient therapy services to medical assistance recipients in Northampton and Lehigh Counties.
